This course will take place at 6pm-8pm MST Thursday evenings from October 17-Nov 21, 2024. This FREE course on Zoom is an introduction to serving as a wildfire Neighborhood Ambassador for your community. Course content will include:

- what is a wildfire Neighborhood Ambassador
- basics of wildfire behavior
- the home ignition zone and "home hardening" vs. flying embers
- Colorado fuels and vegetation management up to 100 feet from your house
- household and community readiness
- planning community events and the human aspects of moving neighbors to action.
